SECTION C – DESCRIPTION/SPECIFICATIONS/STATEMENT OF WORK

A. Performance Work Statement (Attachment #1), Technical Exhibit 5, is revised as follows:

(1) Item 11, Building T-47, Temporary Classroom Building (8,640 Gross SF; 7,920 Service Area SF), is DELETED. The building is scheduled for demolition.

(2) Item 7, Building 17, Seamanship Training Building: the Service Schedule Code is changed from "D" to "A".

(3) Item 14, Building 3, Personnel Support Building: the Service Area SF is changed from 18,450 to 22,610. The second floor training wing is added to the service area.

(4) Building M-115, Modular Classroom, one floor, 2,880 Gross SF, 2,640 Service Area SF, Service Schedule Code "A", is ADDED to Area I as Item 11A.

(5) The Area I and Area II subtotals and the Training Center total are revised accordingly. The number of buildings to be serviced remains 31. The revised total Service Area SF is 381,210.

A conformed copy of Technical Exhibit 5 incorporating the above changes in ink is attached (pages 3 through 5). Offerors shall price the conformed Technical Exhibit 5.

B. QUESTIONS AND ANSWERS

Q1. Building 41 is listed in Technical Exhibit 5 without a Service Area. Should it be priced?

A1. No. Building 41 is vacant pending renovation and is listed for information only (Note 8). If service is required after the renovation it will be added by modification under PWS paragraph 5.7.

Q2. Do the Service Area figures for the recruit barracks (Buildings 11, 12 and 13) include the berthing compartments and heads?

A2. No. Recruits perform the routine cleaning of berthing compartments and heads. The Service Area shown for these buildings is the passageways, ladderwells and quarterdecks, which receive periodic services only (Code "P", Note 5).

Q3. Is Building 118 part of the base requirement?

A3. No. Building 118 is under construction. Service will be ordered under optional CLIN 0005 if and when the building is accepted by the Government. Do not include Building 118 in the base or option year prices for CLINs 0001 through 0004 (see Note 9).

Q4. Is this a new requirement? Please identify the incumbent contractor and the value of the current contract.

A4. This is a follow-on requirement. The current contract, 70Z08422CTCPA0007, was awarded to Seawall Facility Services, LLC in September 2022 for a 12-month base period and four 12-month option periods (60 months). The total value of the current contract, including all options, is $5,862,340.

Q5. What is the period of performance of the new contract?

A5. One 12-month base period and four 12-month option periods. See Section F.

Q6. Should offerors price the Gross SF or the Service Area SF?

A6. Price the Service Area SF (column 6). Gross SF (column 5) is taken from the Coast Guard real property inventory and is provided for information only (Notes 1 and 2).

JRM 10/21/26

TECHNICAL EXHIBIT 5
BUILDINGS REQUIRING JANITORIAL SERVICE, SQUARE FOOTAGE AND SERVICE SCHEDULE

CONFORMED COPY
AMENDMENT 0001
21 OCT 2026

5.1 General. The buildings listed in this exhibit require janitorial services under this PWS. Gross square footage (Gross SF) is taken from the Coast Guard real property inventory and is provided for information only. Service Area square footage (Service Area SF) is the estimated floor area to be cleaned in each building and is the basis for pricing. The Contractor shall only bill for the square footage serviced. Additions and deletions of buildings or service area will be made by modification in accordance with PWS paragraph 5.7, using the Service Area SF added or deleted.

5.2 Service Schedule Codes. Routine services shall be performed on the days indicated by the code in column (7). Periodic services (floor care, carpet extraction, interior glass) are performed at the frequencies in Technical Exhibit 3 in all buildings regardless of code.

- **A** Five (5) days per week, Monday through Friday, excluding Federal holidays
- **B** Seven (7) days per week, including Federal holidays
- **C** Six (6) days per week, Monday through Saturday
- **D** Three (3) days per week, Monday, Wednesday and Friday
- **E** One (1) day per week, on the day designated by the Building Manager
- **F** Every other week (bi-weekly), on the day designated by the Building Manager
- **P** Periodic services only (Technical Exhibit 3); no routine service

5.3 Exterior Areas. The Training Center occupies approximately 418 acres. Grounds maintenance, refuse collection and pest control are performed under separate contracts and are not part of this PWS.

TECHNICAL EXHIBIT 5 (CONTINUED)

NOTES TO TABLE:

1. Gross SF is from the Coast Guard real property inventory, for information only. Not to be used for pricing.
2. Service Area SF is the estimated area to be cleaned. Pricing and billing are based on Service Area SF (para 5.1).
3. See paragraph 5.2 for Service Schedule Codes.
4. Kitchen, serving line, scullery and food storage areas are cleaned by the food service contractor and are not included in the Service Area. The Contractor cleans the dining room, entry, heads and passageways.
5. Recruits perform routine cleaning of berthing compartments and heads. Service Area is passageways, ladderwells and quarterdecks only (periodic services, Code P).
6. Service Area is limited to offices, heads, locker rooms and break rooms. Warehouse floors, shop and boat bays and the drill deck are excluded.
7. Secure area. Escort required; see PWS para 2.4.
8. Building 41 is vacant pending renovation. No service until directed in writing by the Contracting Officer. Not included in totals.
9. Building 118 is under construction (estimated beneficial occupancy March 2028). Service is optional CLIN 0005 only. Not included in totals.

5.4 Buildings Not Included in This PWS (For Information Only). The following buildings on the Training Center are not serviced under this contract. They are listed so that offerors do not include them in site visits or pricing.
